

# Did You Know...

## PAY ATTENTION TO SAFETY

There are 3 causes to accidents:

**1. I didn't think.**

- Plan your work.
- Work your plan.
- Stop if conditions change and reassess.

**2. I didn't see.**

- Inspect your site regularly for hazards.
- Complete a Last Minute Risk Assessment.
- Ensure you have enough light to complete your task.

**3. I didn't know.**

- Inspect your site regularly for hazards.
- Ensure you understand the task.
- Have you been trained on that task?
