

# Did You Know...

## APRIL 28<sup>TH</sup> – DAY OF MOURNING / WORKER'S MEMORIAL DAY

April 28th is observed across Canada as the **Day of Mourning** and in the United States as the **Worker's Memorial Day**. This day is intended to honour those who have died, suffered life-altering injury or experienced illness due to work-related causes.

### We remember...

those who have lost their life, have become injured or ill because of their job.

### We commit...

to protecting workers and preventing further workplace tragedies.
